

## Truckee Man Is Suicide Victim; Funeral On Friday

Oscar Quam Ends Life By  
Hanging; Was Well  
Known In Area

Funeral services will be held at the Truckee Colonial Mortuary here Friday afternoon at 2 o'clock for Oscar Andreas Quam, 52, widely known Truckee businessman, who, according to Deputy Coroner N. F. Dolley, ended his own life by hanging himself in the bathroom of his River street home sometime Tuesday.

Following the rites here, the body will be taken to Tahoe City for interment. Rev. Wesley Osman will preach the service and Mrs. George Kamp will be the organist.

Dolley said the grim tragedy was discovered by the victim's son, Jerry, when the latter reached home about 7 o'clock Tuesday evening. For the past several weeks Quam had apparently been despondent.

For the past two and a half years, following his retirement as a life-long carpenter, Quam had operated the Truckee Shoe Store on the main street in Truckee.

Prior to coming here, the family resided at Tahoe for nearly 20 years and the deceased was classified as one of the best building mechanics at the lake.

Quam was a native of Trondheim, Norway, born February 6, 1902. At the age of 19, in 1921, he came to the United States and for a while was employed in the Sacramento and San Joaquin valleys, later going to Hobart Mills where he was employed until going to Tahoe.

Besides his son, Quam leaves his wife, Gladys, and a daughter, Miss Dorene Quam. The latter is presently employed at San Jose. A number of relatives reside in Norway.

The untimely and tragic death of the popular citizen came as a distinct shock to his hundreds of friends who will join in extending sincere sympathy to the remaining members of the family.

## LAKE TAHOE COOK DROWNED IN SIERRA

Wendell D. Corl, 39, cook at a Kings Beach lodge, was drowned at Campbell Hot Springs near Sierraville Monday evening.

Constable N. F. Dolley who assisted Deputy Sheriff Percy Waters of the Sierra County sheriff's department, in the investigation, said Corl apparently suffered a seizure while bathing in the springs and drowned.

The body is being shipped by the Truckee Colonial Mortuary to Courtland, N. Y., the victim's home. Dolley said there are no known relatives in the west.

## McDaniel Honored For Radio Work In Flood

Harold O. (Bud) McDaniel, manager of the Truckee office of the Ransome Company, this week received a certificate of merit from the American Radio Relay League, a unit of the amateur radio operators for work he did during the January, 1953 floods at Crescent City.

McDaniel, who operates amateur State W6KHF served as the only means of communication from the flood stricken area for an 18-hour stretch, keeping the water-bound communities there in contact with the outside.

The award, the citation points out, is one which cannot be worked for or anticipated, but is given purely on the basis of unsolicited achievement.

McDaniel has installed his station here and will be affiliated with the civilian defense program.

## Vote Count Fails To Alter Election Results

A canvass of the balloting at the recent Truckee Sanitary District election including the counting of absentee ballots, failed to change the first announced results.

The official count shows the following: Joe Mattos, 96; James McIver, 90; Reginald Smart, 79; H. L. Owens, 62; Jack Neugebauer, 76; Charles Osburn, 48; Clarence Osburn, 8; John Street, 1; A. Armati, 1; William Curran, 2; Mickey McKay, 1.

The three vacancies were filled by Mattos, McIver and Smart.

## Maynard Inducted In Truckee Rotary Club

State Patrolman Carroll B. Maynard was inducted into the Truckee Rotary Club at the meeting held Monday evening at Donner Lake Lodge. John Richards presided in the absence of President Alvah Hooper, who was ill. R. R. Frank was the program chairman and routine business occupied the meeting.

## Small Fires Quickly Extinguished Here

Small damage resulted from fires No. 19 and 20 in this district last weekend in spite of the apparent effort of careless smokers who were believed to have started the blazes.

Henry Tocalini of the Tahoe National Forest reported that the fire crew was alerted when flames were seen near the Brockway Summit at 12:30 on Saturday. This was followed closely on Sunday afternoon by the burning of a small area in the vicinity of Woodchoppers Spring, two miles west of Boca Reservoir. A Reno employee of the Sierra Pacific Power Company, named Dayton and nearby deer hunters fought the fire to a standstill.

## HOMECOMING DAY AT LOCAL SCHOOL

Homecoming Day at the Tahoe-Truckee High School was fittingly observed Saturday.

Highlighting the activities was the football game which attracted some 500 fans who witnessed the thriller, and the dance that evening.

Ginger Reynolds was elected homecoming queen and her attendants were Loma Sorenson, Ella Mae Mercer, Sharon Pace and Carol Lavery. The queen was crowned at the dance Saturday evening.

## MAN BURNED BADLY IN TRAILER BLAZE

Eliam Wade, 44, was rushed to the Tahoe Forest Hospital this morning from Kings Beach suffering from second and third degree burns on his back, face and hands resulting from a fire in his trailer house this morning. No details were immediately available as the man was still unconscious and Mrs. Wade was not in the trailer at the time.

## Harvey Hockers Are Parents Of Daughter

Mr. and Mrs. Harvey Hocker of Oroville, and formerly of Truckee are the proud parents of a daughter born October 7 in Chico. The little girl tipped the scales at 7 pounds and 11 ounces and was given the names of Pamela Lee.

## POTLUCK SUPPER PLANNED BY VETS

Truckee Post No. 439, American Legion will hold a potluck supper in the Veterans Memorial Hall on Friday evening, October 15 for members, their families and guests. Mesdames Frank Giovannoni, Robert Leamon, Omar Alexander were named on a committee in charge of arrangements for the affair.

### BAZAAR PLANNED

The Women's Society of Christian Service met Tuesday to work on articles for the bazaar to be held next month. Next Tuesday the Bible Study Group, under the leadership of Mrs. Wesley Osman, will meet. The meeting has been advanced as the Osmans plan to leave shortly on a brief vacation.

## Traffic Drops But Truckee Retains Lead On Highways

Gain Over Last Year Seen  
In September Report  
On Travel

Although passenger car travel into California by way of the state department of agriculture quarantine station at Truckee dropped slightly over 11,000 cars during September as compared to August, the local station was still in second place as a port of entry into the state last month.

The monthly report by the department shows that 53,365 cars were checked here last month compared to 69,486 during August. The Truckee station is still about 3000 cars ahead of September, 1953, however, when 55,018 passenger vehicles were checked.

Yermo in southern California was the only station in the state which exceeded Truckee during September. At the former station 61,953 cars were inspected. None of the other stations had half the traffic which passed through here.

Beside the passenger vehicles, the local station reported 3187 commercial vehicles, which total was about equal to that of August. There were 703 buses and a total passenger count in all checked vehicles of 193,650.

At Meyers on Highway 50, 16,377 cars, 255 trucks and 33 buses, with a passenger total of 43,229 were checked. This was a drop of 4660 cars as compared to August but was approximately 1000 cars ahead of September, 1953.

## DETAILS OF NEW PATROL OFFICE HERE REVEALED

Details of the new California Highway Patrol and Department of Motor Vehicles building now under construction near the Tahoe-Truckee Wye just north of Highway 40 were contained in a communication from H. C. Vincent, chief of the division of public works and acquisition for the state.

The floor plan of the structure being erected by John J. Lodita of Calaveras County, calls for 1858 square feet of office space. The project will also include a garage and 960 square feet of surfaced parking area.

The building will face Highway 40 with entrance from a porch to a small lobby adjoining the main highway patrol business office. Just off the business office a room is to be provided for the sergeant. Another entrance from the porch is to the department of motor vehicles offices. This portion will also be joined by a hallway from the lobby of the CHP section.

A large squad room in the rear of the building with storerooms, lavatories and a furnace room will make the building serviceable as well as roomy and comfortable. Plans call for an asphalt tile floor throughout.

A special compartment is being provided for the teletype and radio machines and built-in counters, storage space and other conveniences will combine with the building to provide Truckee one of the best offices possible and should assure continuation and possible expansion of the services in this area.

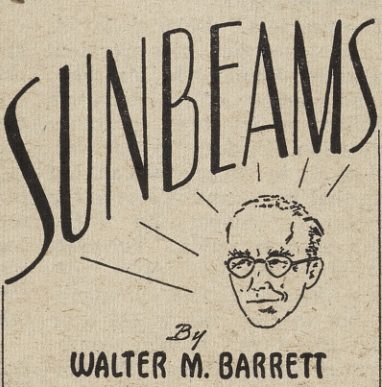

## Mrs. Schultz Speaker At PTA Session Here

Mrs. Fred Schultz, teacher of the 4th grade in the Truckee Elementary School was the speaker at the Monday evening meeting of the school's Parents and Teachers Association.

Mrs. Gilbert Kumble presided at the business session and the sixth grade, taught by Principal Lynn Kishbaugh won the attendance award. Mrs. Eugene Ridsen headed the refreshment committee.

### PLAN PARTY

Plans for their Halloween party to be held Friday night, October 22, were made at Sunday evening's meeting of the Methodist Youth Fellowship. The group meets as a body for the worship period but divides into age groups for discussions. The 7th and 8th graders meet in one group and the high school ages in another.

## 1,000 Attend Big Buck Stew Here, Gifts Awarded

Outdoor Sportsmen Pleased  
With Attendance  
At Program

As anticipated, the annual buck stew sponsored by the Truckee Outdoor Sportsmen at Capitol Hall Sunday afternoon, proved to be the biggest and best ever held here.

More than 1000 people lined up for the savory stew and trimmings prepared by Chefs Johnny and Julia Ciardella and served by Earl Brown, assisted by Mrs. Byron Miller and Edith Pfendler. More than 500 pounds of venison were served.

Exactly 100 gifts were presented during the program, the 30-36 deer rifle going to Lee Nesbit of Donner Lake.

Jack Waggoner served capably as master of ceremonies, assisted by President Charles Osburn, Mrs. Osburn and Heslin Cardinal. State Senator Harold T. Johnson was an honored guest and spoke briefly.

The affair annually marks the highlight in the activities of the Truckee Outdoor Sportsmen, the one organization in the immediate area devoted exclusively to promoting better fishing and hunting conditions.

## X-ray Unit Here Friday Afternoon

Mrs. E. V. O'Rourke this week reminded local residents that the portable x-ray sponsored by the Nevada County Tuberculosis and Health Association, will be the fire house in Truckee from 1 to 3 and from 4 to 8 p.m. Friday, October 15.

All adults and students 12 years of age or older are urged to avail themselves of this opportunity, made possible through the purchase of Christmas seals.

Since the unit will not be at North Tahoe this year, residents of that area are asked to have their check-up here. There is absolutely no charge and reports on the results are mailed to each one taking the examination.

Assisting Mrs. O'Rourke on the local committee are Mesdames H. T. Langille, W. A. Loynd, Howard Vaughan, Rex Reid, Charlotte Patnoudé and Dr. George Hahn.

## Carnelian Bay Couple Welcome Baby Son Here

Mr. and Mrs. Charles Rich, Jr., of Carnelian Bay welcomed a son, named Michael Charles on October 10 in Tahoe Forest Hospital. The boy's weight upon arrival was 6 pounds and 13 ounces.

Dr. Allen Sklar of Tahoe City was the attending physician.

## Gateway Motel Gets New Black-top Surface

Crews from the Clements Construction Company now completing work on resurfacing Highway 40 from Donner Lake to Truckee, have turned attention to surfacing with plant-mix the entire grounds at Gateway Motel. All the driveway, parking areas and that portion of the yards not now planted in grass are being given a heavy coat of black top, adding materially to the appearance of the motel as well as providing an excellent driveway for easy snow removal during the winters. R. Joseph is in charge of the project.

The crew recently completed surfacing all the roads in the Gateway area and installed a large parking area at the Tahoe Forest Hospital grounds.

## Search For 'Lost' Plane Fails In Verdi Peak Area

A report by deer hunters that they saw a silver colored, single engine airplane crash on Verdi Peak Sunday sent Inspector Al Caspell and Patrolman Carroll Maynard to the area where an extensive search failed to reveal any sign of the reported crash.

A plane from the Reno CAA also participated in the search.

## Sugar Bowl Gets Ready For Winter With Improvement

Walter E. Haug, manager at the popular Sugar Bowl ski resort on Donner Summit, announces that preparations are going forward at a rapid rate in preparation for the forthcoming winter sports season.

An innovation this year will be the 24-hour service offered by the Magic Carpet, the aerial tramway which carries passengers over the terrain from Highway 40 to the Sugar Bowl Lodge. Last season the tram was shut down during the early morning hours.

A number of new features have been added and are being completed to add to the pleasure of the visitors at the lodge and ski area.

The Magic Carpet will be operated this year by the Sugar Bowl whereas last season the two units operated separately.

A schedule for the 1954-55 races at the bowl have been announced as follows: January 29 and 30, the DHO and Sugar Bowl Ski Club championships; Easter Saturday, Junior Championships; Easter Sunday, Walt Disney Junior Trophy race; April 16 and 17, North American championships, including downhill, slalom and combined; April 24, Silver Belt invitational meet.

Work is being rushed on the various facilities so they will all be in perfect shape by the opening of the season which depends upon the first heavy snow. Reservations indicate a bigger season than was enjoyed last year.

## THREE SENTENCED AS DRUNK DRIVERS

Three motorists accused of drunk driving were assessed a total of \$1350 in fines or corresponding jail sentences this week when they appeared before Judge F. W. Wilson in the Truckee court.

Robert M. Gray of Colfax was fined \$350 following his arrest by State Patrolman Martin Sturcke.

Lawrence Peak, Walnut Creek, arrested by Patrolman William Gautsche last Saturday, and Charles W. Lloyd, Marysville, arrested by Patrolman Carroll Maynard Monday were assessed \$500 each with an alternative of spending 100 days in jail. Both accepted the latter.

## ATHLETIC CLUB TO HOLD MEET MONDAY

Daven Morey, president of the Truckee Athletic Club, has called a meeting of the members to be held Monday, October 18 at 7:30 p.m. at the Truckee Elementary School.

Nomination of officers will be one of the principal items on the agenda. Another important subject will be a discussion on the forthcoming basketball season. It is proposed to organize a city basketball league with four or five clubs participating rather than again affiliate with the Placer-Nevada League as they did last season.

Morey also requested that any member holding unsold membership tickets turn them in at the meeting Monday.

## FLORISTON WOMAN HELD ON CHARGES

Postmistress Joyce L. Heil of Floriston has been indicted by a federal grand jury at Sacramento on charges of embezzling \$1189 from the post office fund.

Assistant U. S. Attorney Robert E. Woodward said Mrs. Heil has admitted taking the money.

## LUCILLE SWETT IS DEAD AT AUBURN

AUBURN—Services will be held in Duggans Funeral Home in San Francisco this week for Mrs. Lucille Adeline Swett, 48, of Auburn, who died Sunday in a local hospital. West and Hite Chapel handled local arrangements.

Mrs. Swett was a native of California. She lived on Commercial street in Auburn.

### FIREMEN MEET

Members of the Truckee Volunteer Fire Department held a routine business meeting following their dinner at Cozzi's Cafe Tuesday night.

## Wolverines Meet Stewart Indians Here On Saturday

Local Drop Homecoming  
Contest To Snappy  
Yerington 11

The Tahoe-Truckee Wolverines, in their second home game of the season, dropped a 33 to 7 decision Saturday to the 1953 state champion team from Yerington. The issue was never in doubt as the hard-rushing and running Lions scored twice in the first period of play.

Both conversions failed and the score was 12-0 at the end of the quarter.

The Wolverines' longest drive started just before the end of the quarter. With Captain Dick Mandeville, Jay Stuart and Bob Sanford doing most of the running, the local club worked the ball down as far as the Yerington 30-yard line before being stalled by a determined Lion defense.

The second quarter was a see-saw affair, with the Wolverines dominating play but not being able to score after moving the ball as far as the Lion's 25; the half ended with the visitors leading 12-0.

The third period saw the visitors pick up another score as the powerful Mike Lommoori, all-state fullback, carried in from the 20-yard stripe. The conversion was good as Davenport plunged over center.

### Local Score

Shortly after the opening of the fourth and final period, the local fans got their first big thrill of the afternoon.

Jay Stuart, Wolverine quarterback, threw a short pass to End Lewis Fellows. Fellows, with a perfect catch, proceeded to romp 60 yards, outrunning the entire Yerington defense for Tahoe-Truckee's only score. The conversion was good as Mandeville passed to Jack Van Hooser in the end zone, to make the score read 19 to 7.

The Lions came roaring back following this to score two more times, converting each time, as the score went to 33 to 7. The Wolverines threatened once more in the fourth, as Roger Holbrook, quarterback, broke off right tackle from his own 40-yard stripe and twisted his way for 60 yards and a touchdown, only to have the play called back for offside.

Statistically, the game was not as one-sided as the score indicates. The Lions gained 385 yards rushing, 34 yards passing and netted 375 yards. The Wolverines gained 211 yards rushing, 106 passing and netted 252. In the first down department, the Lions had a total of 16 while the Wolverines gathered a total of 8.

### Stewart Saturday

Next Saturday, the Wolverines entertain the Braves from the Stewart Indian School in a game scheduled to start at 2:30 p.m. The large crowds that have attended the first two home games have been extremely gratifying to the boys and it is hoped that such a turn-out will continue.

Saturday's game should be a good affair, as the Wolverines are ready to pick up their second win of the season against the Braves, who dropped a 14 to 13 thriller to the Douglas Tigers last weekend. Tahoe-Truckee defeated Douglas in the opener 18 to 2.

### Game Dedicated

The game Saturday will be dedicated to the first National Olympic Day, which under a proclamation by congress, has been set for Saturday, October 16.

## MORE PLEDGES FOR BLOOD BANK ASKED

Work is continuing by Administrator J. J. McGlade of the Tahoe Forest Hospital to secure pledges for the blood bank collection which has been scheduled to be held at the hospital here next Thursday. Several members of the Lions Club signed up at last night's meeting but many more signers are needed if the important project is to be a success.

Those desiring to render this valuable service are urged to contact the hospital immediately.

## Reno Traveler Will Speak At Wyethia Meet

Herbert Ringer, of Reno, will be the speaker at the regular meeting of the Wyethia Club on Friday evening, October 15. Mrs. Fred Pedley will preside at the business session convening at 8 p.m.

Ringer who has traveled extensively, will show color pictures taken in national parks in the United States and Canada.

Hostesses for the evening will be Mrs. C. E. Allison, Mrs. Eugene Welch and Mrs. Sidney Kase.

### Local Houseguests—

Mr. and Mrs. John Clark and Mr. and Mrs. George Clark and daughter, Judy, all of Sacramento, were houseguests at the A. Mahne home last weekend.

**Pullman Green Will Be Replaced By Two-Tone**

Historic "Pullman green" will  
disappear from passenger cars of  
the Southern Pacific, the railroad  
announced today.  
The color change will not affect  
Southern Pacific streamliners, most  
of which have their own distinctive  
color schemes.  
As rapidly as they undergo regular  
shopping, all passenger cars  
now painted green will be repainted  
in two tones of gray, set off by  
lighter striping. Already several  
cars of the San Francisco Penin-  
sula commute fleet have received  
the new color treatment.

**GI MISHAPS CITED TO CURTAIL WRECKS**

**By CNPA NEW SERVICE**  
The tragic two-car crash on a  
California freeway over a recent  
weekend, involving a young service-  
man who had just been offered a  
lift, only serves to point up the  
problem of GI crashes, not all of  
which can be attributed to reck-  
lessness or carelessness on the part  
of the GI, today declared a spokes-  
man for Western Insurance Infor-  
mation Service.

According to a recent survey, the  
army, navy, marines and air force  
suffered 18,000 highway casualties  
in one 12-month period. Last year  
the navy lost enough personnel to  
man two destroyer crews as a result  
of traffic mishaps.  
"The problem," declared Ray A.  
McGuire, executive vice-president  
of Pacific Employers Insurance  
Co. and member of the executive  
committee of Western Insurance  
Information Service, "is not con-  
fined solely to the serviceman, but  
is one that needs and deserves the  
understanding cooperation of the  
civilian motoring public." The prac-  
tice of giving the serviceman a lift  
is both thoughtful and commend-  
able, but to turn the wheel over  
to him can result in dire conse-  
quences it was disclosed. "Remember,  
he may know how to drive, but  
he may be unfamiliar with your  
particular make of car," warned  
McGuire.

In an effort to reduce the toll  
The color, long called "Pullman  
green" by railroaders, was report-  
edly developed about 1865 and by  
the 1890's had become standard  
colors for most railroads.  
In recent years, a number of  
Southern Pacific name streamlin-  
ers, such as the Daylights, Sunset  
Limited and City of San Francisco,  
have been painted in bright and  
distinctive colors, while two-tone  
gray was used for the overnight  
streamliners Lark and Cascade.  
The Company's non-streamlined  
passenger cars were painted olive  
green.

**IMPROPER PASSING CAUSES BAD WRECKS**

"Improper passing is the direct  
cause of many head-on collisions  
and these are often fatal," declared  
Capt. Richard B. Langner, com-  
mander of the Roseville area of  
the California Highway Patrol.  
In the following instances, pass-  
ing on the left is forbidden.

- (1) By crossing over a double  
white line at anytime.
- (2) When approaching the crest  
of a grade or upon a curve when  
the driver's view is obstructed  
within a distance that might cre-  
ate a hazard.
- (3) When approaching within  
100 feet of, or when crossing any  
intersection or railroad grade  
crossing.
- (4) If view is obstructed when  
approaching within 100 feet of any  
bridge, viaduct or tunnel.

**South Tahoe Bank Will Remain Open All Year**

Authorization has been granted  
the Tahoe Valley branch of Bank  
of America to operate throughout  
the year, it was announced today  
by Frank J. Dana, vice president  
and supervisor of operations.  
Dana said that the bank which  
had functioned in the past only in  
summer months now has full sta-  
tus as a branch, effective October 1.  
Authorization comes from the  
United States Comptroller of Cur-  
rency, the bank official pointed  
out. Previously the branch was  
operated as a limited facility un-  
der a special charter.  
Tahoe Valley branch is located

of GI crashes, WIIS will seek the  
cooperation of the National Safety  
Council and its California Chapters  
and the civic and service clubs  
throughout the state in focusing at-  
tention on this serious problem.

Parents, wives and sweethearts  
of GIs can also help reduce the  
dreadful toll of death and destruc-  
tion it was pointed out. Do not  
urge your GI to make unnecessarily  
long trips home during a brief  
weekend leave, and insist that he  
start back in ample time to report  
for duty, was the advice to those  
who wish to help halt this need-  
less tragedy on the highways.

Western Insurance Information  
Service, which is compiling data  
relative to the problem of GI  
crashes, pointed out that traffic  
accidents in this nation have al-  
ready claimed more lives than have  
been lost in all the wars in which  
this country has engaged since the  
Declaration of Independence.

"It is pathetic," concluded Mc-  
Guire, "that we must call up our  
young men for service in the de-  
fense of their country only to sac-  
rifice them on the altar of negli-  
gence and criminal irresponsibility  
on our highways."

## SWANEE'S Lake Tahoe Letter

Tahoe City, Oct. 10

Dear Tahoeites:

Am writing you as usual on Sunday evening, and what a wonderful day this has been. Not even in mid-summer has the weather been so mild, and warm and peaceful. Maybe it's because the thundering herd of cars has departed our shores, although many still visit to enjoy the lovely autumn colors, that Tahoe and her natives appear so relaxed and unhurried. Men folks, and some women, too, are enjoying the hunting season which is taking most of them to Nevada, or Sutter and Yuba counties, for their ducks, as Tahoe will probably see few of these until the stormy weather sets in.

Stopped in to see Rie and Joe Henry and wish them congratulations on their 37th wedding anniversary. They celebrated this event, and the birthday of former Tahoeite Fred Kohler now of Imola, on Thursday evening at the A. M. Henry home in town. Guests who joined the celebration were Mr. and Mrs. Al Henry and children, Karen and Gary, Mrs. Mary Planett

and son Fred, Mrs. Fred Kohler, and Mr. and Mrs. Malcolm Fox and daughter Mary Tabor, Squaw Valley. The Kohlers still have many friends in this area, having been caretakers for a number of years at the Luhrs' home on the Truckee river before moving to Imola. They spent the past weekend at Tahoe and Truckee, leaving for home today.

And today marked another milestone which we used to celebrate with the Joe Henrys each year, the birthdate of the late Charles Swanee. I visited the little cemetery, Trail's End, above the golf course today, warm and peaceful in the late afternoon sunshine, and found Contractor Bert Anderson of Pine-land there making forms for six graves which are to have concrete curbing around them. Fittingly enough Mr. Swanee's was one of them, the others including Mr. and Mrs. George Merriam Lewis of Salt Lake, and Tahoe (both of whom are still very much alive yet). Pete Vanni's dad, Tom Thatcher of King's Beach and an unidentified lady. Constable Johanson had been requested to have them done, and he also plans to clean up the plot before snow flies.

October is the month of many wedding anniversary celebrations of past and present Tahoeites.

Among them are the Carl Bechdolt, Jr., the E. H. Pomins of Tahoe Park who are still enjoying life after 53 years of married happiness, the C. W. Vernons of Tahoe City, wed for 43 years, Mr. and Mrs. W. A. Simmonds of Tahoe City, the Joseph Duffes of Sacramento, gone from our midst after many years of residence here, but not forgotten; and Mr. and Mrs. Willis Hevel of Auburn, former homeowners of the Bittencourt Tract in town for years who have enjoyed 58 years of wedded bliss together. Birthdays being observed during this month are those of Verne Daniels, now of Las Vegas, Carl Bechdolt, Sr., Bill Bechdolt, Mrs. Florence Kinner of Homewood and Laguna Beach, and Mrs. Ethel Bergan, mother of Mrs. Shirley Conger. Conger's restaurant in town is closed for the season, but the motel remains open for business. The Congers will remain at Tahoe for some time yet, but plan to go out for a vacation during the winter months. They enjoyed one of the finest seasons in the history of their popular eatery.

Mr. and Mrs. Albert Miller have closed up their home in Tahoe Park and departed for their home on the peninsula. Mr. and Mrs. James Baker of Fairway Drive spent several days with their children, Yvonne and James Richard in Merced, where they visited with her dad, Richard Loeschner, Sr. Mrs. Charles Warner of Fairway and son Denney have returned home following two weeks vacation spent in southern California. While below Mrs. Warner visited with her parents, the O. C. Smiths at Bell, and spent a week at the home of her sister, Mrs. A. B. Bates, at Downey. Little Denney, who flew with his mom both ways, out of Reno, returned home following steady sessions with a dental specialist, with 27 fillings in his teeth, something few two and a half year olds can boast! She also visited her old alma mater, UCLA, where she renewed old friendships with fellow students and several of her old teachers of 18 years ago.

I was one of many, I suspect, who watched Alex Cushing of Squaw Valley during his verbal combat with the witty Groucho Marx on his TV show on Thursday night last. It was really amusing as Alex pulled a few rather lame jokes, which Groucho did not particularly care for. One was telling about his nickname "Pin." (Pin-Cushing . . . SEE?) Alex gave this area a fine bit of publicity, informing Groucho that 100,000 skiers visited Squaw Valley last year and only 30 broke bones while skiing. He and his partner Elizabeth Griffith, a bus driver, split \$110

on the program.

Talked with Mrs. Millie Noonchester of Noonchester Mines and she has been working hard all summer at the mine, but plans to close soon and have a vacation for herself. Mrs. Marie Henry and Mrs. Beulah Carnell claim some sort of record has been broken at Tahoe City this fall because red rose trees in their yards are just putting forth some beautiful buds and this mid-October yet!

Mr. and Mrs. Pete Vanni on Sunday at 3 p.m. at the Corpus Christi Chapel at Tahoe City had their little two and a half months old daughter, Theresa Ann, baptized, with Father Ronan Brennan of Truckee officiating. Godparents are Mr. and Mrs. William Bechdolt, and others present included Mr. and Mrs. Jack Dunne, Mrs. Diamonta Vanni, Mr. and Mrs. Al Henry, Jr., r. and rs. Dick Carnell and Jimmie, Julianne and Cheryl Bechdolt. Refreshments followed at the Vanni home in Tahoe City.

Mr. and Mrs. H. W. Smith of Smith's Coffee Shop, Tahoma, held their closing of the season free dinner party on Monday night, with a large crowd on hand to help celebrate the occasion. Movies of the Seattle gold cup races, titled "Where Rooster Tails Fly," were shown at the Al Sanford home one night last week with spectators including Mr. and Mrs. Fred Main, Mr. and Mrs. Waldo Gross, Mr. and Mrs. W. G. Cooke and the Imon Mitchells.

Successful duck hunters who tried their luck at the Greenhead Duck Club in Fallon over Friday and Saturday and brought back limits were Martin Spitsen, Bill Connors, Bill Bechdolt, Jay Shontz all of Tahoe City. A few ducks were killed locally, but no limits are known to have been taken.

Mr. and Mrs. Bud Scott of Miramar Heights motored down to Carmel on Tuesday of last week; leaving the home of a retired army general for the coming winter months on the bluff above the Carmel Mission. Yours truly, who enjoyed seven months with them two years ago, will not be going down this winter, but will seek employment in Reno. Daughter Marie, my oldest girl, underwent a very serious operation over a month ago and has not yet recovered fully, so I don't want to get too far away from her as long as I just might be needed. I can be contacted all winter through my box at Tahoe City, 203, and will be more than happy to hear from all my friends. This just may be my last letter for the season, as I am likely to take off any day. Want to get out and settled before snow flies. So until next spring, when I hope to return with the robins,

## NORTH TAHOE

By JUDGE HARRY CHARRISON

Anna Blau of Tahoe Vista, informs me that her sister, Lydia Campbell, who had been staying with her for a month or more, recuperating from an illness, has now returned to Richmond. Anna also had her daughter and son-in-law, Mr. and Mrs. George Williams, and their two children, visiting since September 27. They have also gone. She also says she is staying in till November this year and then there's no telling where she will go.

Mr. and Mrs. Clarence Edward Webb were visiting their daughter Carol over the weekend and of course their granchill, Robin. She is the cutest little girl, just six months old and just laughs all the time. Her little cousin, Randy, I hear, is walking now. He is sojourning in Pasadena with his mother and daddy for the winter. Oh yes, I forgot to say Carol is the daughter-in-law of the Miedemas. L. G. Hitchcock and the misses were at John O'Connors of Kings Beach over the past weekend. Oh, yes, the property of the O'Connors on the highway has changed hands. It is rumored that a big oil company are the purchasers. Big things are in store for this area.

The sympathies are extended to Fred Miller, our local contractor, in the loss of his mother, Theresa Miller of Los Angeles. Mrs. Miller was 84 and left her husband, John, who is 86 and still is quite spry. The couple celebrated their 66th wedding anniversary last July. Fred flew down to Los Angeles for the funeral and returned last Sunday.

The Leon Barkers of the Brockway cutoff left here for their home in San Francisco last week. Can hardly wait for the spring to come back, says Leon.

Marion Miller, wife of Fred, had a delightful visit and dinner with the Bert Kings of the Crown Court at Brockway during Fred's absence.

Ella Blake and son, Lloyd, left last Sunday for Richmond where she will stay for the winter. Lloyd will return to the lake for a while.

By the reports of our local hunters it looks as though duck soup will be on the menu for quite a while. Most of them have had exceptional luck.

We have just returned from a run around the lake, and what a sight, the beautiful leaves have turned from green to yellow and gold and a vivid red.

Harold and Lu Welty of Van Nuys, are visitors of the Fred Shultz of Siesta Pines, Kings Beach. Harold and Lu have their four-month daughter with them and are here for a week or more.

Bob Gray, son of W. E. and Mrs. Gray, realtors of this area, has left and is attending the University of California at Berkeley. Bob graduated at the Sierra College of Auburn.

The boys working on the Truckee shortcut road, report that the signs erected by the Kings Beach Boosters Club, has nearly doubled the traffic coming over that road. The people of the community are tickled to pieces with the work of the newly formed club and also with the work on the above road by the county men. A list of the donors for the signs may be seen at the judge's office. There was no less than 48. Wonderful.

W. E. and Mrs. Gray will leave this weekend for Oakland where they will spend the winter. Already sent our address to Sierra Sun, so do your stuff, says Earl, "we want to know what goes on during our absence."

We had a most delightful time at the home of Dick and Ruth Lavery of Carnelian Bay, at a cocktail party and dinner last Sunday. Others present were Mr. and Mrs. Marlin Petz of Sun and Sand Lodge, John Lavery, brother of Dick and of course, Kenny.

Jack Dacus of Texas Jack's was in to say he had closed up and was on his way to his home in San Leandro for the winter.

The Jack Bradens have closed for the winter, but quite a few resorts are to remain open for most of the winter season, especially when the skiing starts. There will be the regular package system from southern California and the Bay area to Squaw Valley and Cal-Vada Lodge.

The Dick Laverys intend having a real garden next season. They already have a colorful stone wall built at the front of the house, all it needs now is about 20 tons of top soil to fill it. If you have any laying around, dump it nicely over the wall, then next year you might get a couple of orchids.

**FAMILY WILL BE  
THEME OF SERVICE**

KINGS BEACH—Services at the Kings Beach Community Church next Sunday will feature "The Family" in several different ways, according to an announcement by the pastor, Rev. A. B. Covher. In addition to classes for all ages and every member of the family at 9:45, the morning worship will give

or even before, I wish you all good luck, good health and Godspeed all. As ever, SWANEE.

## Tahoe-Truckee School District News

### TRUCKEE ELEMENTARY SCHOOL

Kindergarten: Each day the kindergarten children employ practice of and knowledge of some form of language arts, both in oral and written expression. Speech is employed through conversation at

sharing time, in singing, recitation of hymns, and in games.

First Grade: The first grade has a news period every morning before we begin our work for the day. We learn how to tell a good listener as well as how to be a good listener.

Second Grade: In sharing time, stories and experiences are told. The purpose of this is to gain poise in speaking to a group. While stories are being told, the class learns how to be a good audience.

Karen Whittenberg told about her recent trip to Reno and her

new shoes, purchased while she was there.

Gregory York, Steven Van Sickle, and Jimmy Roth told stories about deer hunting.

Third Grade: The third grade pupils are learning to be good listeners, to speak so others can hear and understand them, and to know what they are saying. Besides learning to read, they are learning to look for information and to express themselves in writing.

Fourth Grade: Our story writing has been all done as a group activity. The students who contribute information have been Dennis Whiteneck, Gene McGihon, Janice Roth, Janice Stewart, Rickey Colston and Patricia Ramsey.

We also work on our handwriting. There has been great improvement by Ellen Patnoudé, Darby DeLisle, Daven Morey, Jeffery Stock and Joe Cabrera. Some of the nicest handwriting is done by Deane Kaspian, Joey Straub, and Pamela Rose.

Fifth Grade: The fifth grade is learning a great many things in the language arts.

Besides writing, we are learning about conversation. We realize how important it is to speak well, since speaking is our principal means of communication with one another.

Sixth Grade: Language arts at the sixth grade level encompasses everything that is learned and practiced in the lower grades but in a more refined and broadened respect.

General: This past Friday a softball game was staged between the fifth and sixth grades on the school playground. It developed as a challenge issued to the fifth grade by the sixth and accepted.

The fourth grade was invited to see the game which was won by the sixth grade, 15-7. The fifth grade had a strong lead (6-1) until the third inning when the sixth staged a rally which proved to be the undoing of the fighting fifth. Good pitching on both sides was brought forth in the afternoon affair.

Barry Leamon and Charles Berger did a fine job of hurling for the underdogs. Varlen Frey and

Bill Notley did a creditable job for the sixth. Two home-runs were the afternoon highlights in addition to a sharp double play by the fifth.

Stephanie Firpo hit a four-bagger with two on in bottom half of the third to start the rally which eventually won the game. Bill Notley, who followed Steffie in the fourth slot, smashed a line drive to deep center field which evened up the score. Many softball enthusiasts and talented players were discovered. Those who were unable to play the game did a wonderful task of preparing and conducting cheer-leading sections.

### TAHOE LAKE SCHOOL NEWS

Kindergarten: From Jimmy Becholt comes the announcement in big round tones: "When I get big I'm going deer hunting and I'm going to put a bullet in my gun."

The big building blocks were turned into horses that could be ridden this week. Among the horse builders riding their charges were Kim Marvin, Martin Lorentz, Barbara Broyles and Dick Pomin.

George Speeters is the transportation expert in the room. He uses the toy train or truck to transport the little blocks to the little house and road builders, and back again to the box at clean-up time. His trucking partners are Jon Kehlet and Johnny Carnell. Marty Spitz specializes in road and bridge building.

Chris Beavers, Jimmy Sergi, Sammy Glasser, and Rae Lee Grahn are getting quite efficient at designing unique block houses, garages and tunnels.

First and Second Grades: In addition to the reading readiness and number concept program being carried out, this week has been devoted to discussion of our school.

Third and Fourth Grades: We, the third and fourth grade, studied about science, and about dinosaurs, too. We also made pictures of conservation and destruction. We made October calendars to help us understand where the first of each month starts.

Fifth and Sixth Grades: The committees for the industries of modern California have been selected and the groups are busy on their separate projects.

Joy Ferris is leaving for Sacramento on Saturday where she will spend the winter months.

The fifth grade is reviewing subtraction, and the sixth grade is working on harder long division problems.

We received copies of the class pictures on Monday. Boys and girls have been busy getting them autographed.

Kindergarten and First Grade: Mrs. Butterfield visited our room Wednesday.

Some of the children in our room have been bringing pets to school to share with the class. Loretta Barnett brought a little puppy. Linda Bonney brought her cats, Darryl Lausche brought his dog, Vicki Russell made a pink clown. Beverly Bergman and Kathy Murray made doll beds. Beverly's has a doll in it.

Second and Third Grades: During art period, we drew Columbus' ships. We also had a story about Columbus just before our drawing lesson. These pictures will be pinned up the hallway.

We saw the film, "The Fireman," on Tuesday. Our daily news that day was all about the things we learned from the film.

Our class banked the most money this week; so we won the thrift banner.

Fourth, Fifth and Sixth Grades: The arithmetic groups have been working hard to accomplish new tasks. The fourth grade group has been learning to multiply by 2 and 3. Our fifth grade group has been preparing for more difficult division, as well as getting the multiplication, addition and subtraction facts better in their minds. They have also been working with fractions with like denominators.

Canada has been a very interesting country to study. We like to compare it with the United States. An interesting fact is that Canada is larger than the United States, but has about the same amount of population as California. Richard Parr wrote to the consul general in San Francisco for more information about this vast country.

Mrs. Julia Gonsalves, county su-

## MRS. CUSHING, JIM BREHLER WINNERS IN GOLF TOURNEY

TAHOE CITY—Results of the first annual Squaw Valley-Lake Tahoe Ski Club Golf Tournament at Tahoe City golf links Sunday, were most gratifying, and it is now planned to hold the affair every year. There were 51 entrants, and the weather was perfect with a good gallery to watch the play.

Low gross for 18 holes winner was Jim Brehler and lady's first place winner, with a phenomenal score for 9 holes was Mrs. Alex Cushing of Squaw Valley. Low net winner was Lewis Fellows of Carnelian Bay, followed by his dad, Ray Fellows, Jim Brehler and Harold Hammericksen tying for third.

Miss Sandra Fellows, sister of Lewis, won low net lady's score, three contestants tying for third place, Bat Butterfield, Elsie Bell Becholt and Audrey Brehler. All winners will be awarded novelty prizes at Friday night's ski meeting to be held at 8 p.m. at Squaw Valley, October 15, by President Gordon Butterfield. At the conclusion of the tournament a Weiner roast was enjoyed, with Mrs. Blanche Donaldson and Mrs. Beulah Carnell in charge.

## INSTALLATION OF SIGNS COMPLETE

KINGS BEACH—The installation of six large directional signs leading to North Lake Tahoe has been completed and the Kings Beach Boosters Club has expressed its thanks to all the contributors from Crystal Bay to Homewood, who made the project possible. Particular thanks went to Fred Schultz and Ed Neil for their efforts.

The total cost of the project to date has reached \$1884, with collections totaling \$1705 and pledges made to cover the balance due. Pledges outstanding may be made to W. E. Gray of Kings Beach.

The club hopes next year to install a necessary sign at the junction of Highway 50 and Highway 28, with other signs at strategic locations.

pervisor of education, visited our class Friday.

### DONNER TRAIL ELEMENTARY

The other day Jimmy Schull found a small black and yellow caterpillar. We put the animal in the terrarium and we all watched it spin its own web and go into a state of winter retreat in just a few hours.

In our social studies we learned that the shellac we put on our little farmhouses is made from an insect. We have finished our sand table and are now ready to paint our houses.

Last year we made a small electric motor but without success. This year Tommy Peterson wrote a large electrical concern for the answer to our failures. We will make another motor as soon as the plans arrive.

## IDEAL WEATHER

TAHOE CITY—Continuing mild, dry weather with beautiful, warm sunshiny days is being enjoyed at Tahoe. Temperatures drop to near the freezing mark every morning with a low of 30 recorded Sunday. Maximums range up to 65 degrees.

Six gates are open from the lake and the level of Tahoe Monday stood at 6226.79 feet, Art Frodenberg, cooperative observer, reported.

## LAKE ACCIDENT IS BASIS OF SUIT

PLACERVILLE — Frances C. Dollarhide has brought suit in the superior court against Calvin R. Coolidge for \$50,400 for an auto collision August 22 near Kings Beach, Placer County.

The complaint states the plaintiff was a passenger in a car driven by E. W. Kirsten at the time of the collision.

### SUMMIT SCENE

By Fran Couillard

**DONNER SUMMIT**—Speaking of strenuous programs reminds me of one that took place during the past week. Maria and Jack Patten of Ski Hive at Castle Creek—

and whom we told you were building a new ski lodge and hotel in the Mammoth Lakes country—have decided that the work they are doing themselves on their new lodge is of greater value to them than keeping their delightful little Ski Hive open this winter—so Maria hired a truck—drives it to her Castle Creek (former) lodge

(and drive it herself we mean), and with the help of Marie Strickland, the two gals load said eight ton truck for its trip back to Mammoth Lake. Think the whole job was done in less than three days—part of which operation was moving a huge deep freeze with a boom, no less. Having known the incomparable, the unscarable Maria Schuster Patten for as long as we've been in these here hills—we know that she is an excellent builder—cement worker, dam builder, painter, brick mason, big game hunter, skier (incidentally she took time out to have a baby). She spent an evening at our Kingvale domicile and such words as "lashing," "turn-buckling," tie rodding were included in the description of the new hotel that Maria and Jack built (with very little help) in their new adopted country—Mammoth Lakes. To our remark that she looked a "little tired" we got a rambunctious "Poo!" Well, anyhow—the dining room part of their new estate will be open toward the end of this coming ski season—they think. Whilst these two intrepid ones labor on a place that sounds delightful, expensive and the latest in ski lodges—they live in a small hut with gravel flooring! Well that's Maria and Jack whom most of you know—who since they have lived in this country—have gone fishing with spears in Mexico; big game hunting in Africa—and anything else adventurous you can't think of! Such good luck to these two in their newest adventure.

Seated at the Beacon Hill Coffee Shop counter early last Sunday morning—where we coffeeed before making our Sunday "Place I haven't been before trip" (which was Pyramid Lake) we saw a buck being chased by a big black dog—and within shooting distance of where we sipped! And speaking of Beacon Hill again—the good smells coming from the kitchen at the same moment—announced that a group of Reno's Junior Chamber of Commerce members, with families, were barbecuing in Elmo's backyard that afternoon. About twenty families, we think!

I suppose by the time you read this (and it likely will be a headliner in this here paper) you will know that Roy Thompson's beautiful Soda Springs home was burglarized by some kind of a crackpot! Said pilferer kindly left a note asking Roy to please leave the water turned on for his next trip. Other than that he was quite comfortable—thank you. The "bread and butter" note was signed

The Boy Scouts of America is a ready and eager partner in every community effort to build boys into men of character and train them for their citizenship responsibilities. Scouting is a program in which boys, from eight years old up, can learn how to do things for themselves and for other people. It is a program that develops physical fitness, skill, self-reliance, courage and high ideal for service to God and country.

These things are accomplished in partnership with the home, the school, the church and other institutions which accept responsibility for the proper guidance and education of the boys and young men of the community. In fact, every unit of Scouts must be sponsored

by an established institution such as a school, church or synagogue, civic group, farm, labor or business organization, or by a responsible group of citizens representing the community as a whole.

The Tahoe Area Council, serving Placer, Nevada and Western Sierra counties, takes in more than 2500 boys in four districts. This includes 64 Cub Packs, Boy Scout Troops and Explorer Units.

Working with the boys are 612 adult volunteers.

October 13 is the day set aside this year for the annual finance campaign of the Tahoe Area Council. Invest in tomorrow's citizen. Your contribution will open ranks to more youngsters in this area who are eager to join the Boy Scout movement.

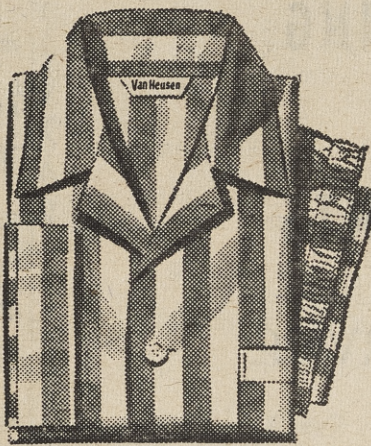

### WELL BABY CLINIC WILL BE RESUMED

**KINGS BEACH**—The Well Baby Clinic will be resumed this fall through the cooperation of Dr. Allen Sklar.

The first clinic for pre-school children will be held Thursday, October 21 from 1 to 3 p.m. at Carpenters Hall at Kings Beach. Dr. Sklar will be assisted by Mrs. Charlotte Patnoudé, Mrs. Mae Critchley, Mrs. Jean Cenani, who are registered nurses and Mrs. Kay Felte, chairman and Mrs. Marguerite Ashton.

The clinic asks the cooperation of the mothers to bring their well babies only to avoid any possible spread of communicable disease.

## Competition... leads to the world's best service

The world's first service station was opened by Standard Oil Company of California in Seattle, Washington, in 1907, two years after cars came to the Pacific Coast. Pioneer motorists, tired of wrestling 5-gallon cans to fill their tanks, flocked to this convenient gasoline station. Other suppliers saw the point... service stations soon sprang up all over and the competition to serve you better began.

**Look how it is today!** Here are just a few of the services you now find at Independent Chevron Stations and Standard Stations. We originated many of them in competing with hundreds of other companies for your business. This competition that has brought you more convenient motoring has grown with the West. Since 1907, we've seen the total number of Western gas stations grow from our lone Seattle pioneer to 26,000 today. For us it has meant working harder to

merit your business... investing \$275 million in 1954 alone to find new oil and improve our refinery output... spending more than \$35 million in the last 5 years for research and technical services to bring better products to motorists, industry and farms. Since this is Oil Progress Week, we'd like to remind you that this competition which sparks oil progress brings you more miles-per-gallon of gas, lubricants that lengthen your car's life—and the world's best service.

### NAME COMMITTEES TO PROMOTE LAKE AT CHAMBER MEET

**TAHOE CITY**—The first meeting of the new president, Norman Celio, and his board of directors of the Lake Tahoe-Sierra Chamber of Commerce was held last Thursday at Tahoe City.

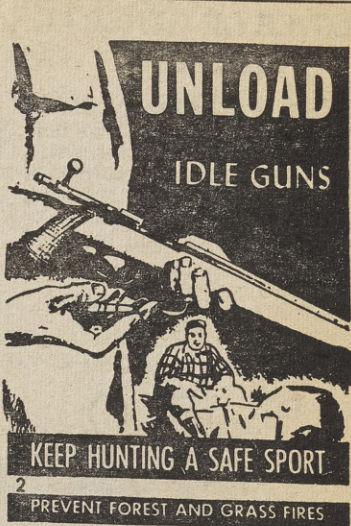

A letter was read from State Senator Harold T. Johnson of Roseville pledging support on any legislation proposed by the chamber to benefit fish and game, highway, natural resources or other matters affecting this area.

Discussion was held relative to the finances of the chamber and the Placer County Board of Supervisors was thanked for its donation of \$150 to assist in the programming the Gold Cup races. A promise by the El Dorado Chamber for \$800 will materially swell the treasury.

The directors voted to close the office at Tahoe City for the winter but the affairs of the group will continue to be handled from the home of the secretary, Mrs. Jeanette Mitchell in Sunnyside.

The next meeting will be held at the south end of the lake, November 11.

Among the committees named were membership, headed by Mrs. Gladys Anderson, assisted by Mrs. Mitchell, Tom Armstrong and Dave Gaynor; advertising, George Canon, assisted by Fred Schultz, L. M. Edge and others to be appointed; fish and game, Waldo Gross, assisted by Harry Meade and others yet to be named; by-laws, C. W. Vernon, who will name two assistants. Fred Main was named chairman of the Gold Cup committee. Fred Schultz heads the highway committee and Herbert Obexer

### ANTIOCH COUPLE MARRIED AT LAKE

**KINGS BEACH**—Mr. and Mrs. Larry Albright of Antioch began their life together in a beautifully simple ceremony at the Kings Beach Community Methodist Church, Monday afternoon. Rev. A. B. Covher solemnized the marriage.

It is the first marriage for both Larry and his bride, the former Miss Janice Clancy. The couple will make their home at Antioch. Mrs. A. E. Abbott and Mrs. A. B. Covher were called to witness the service which was held at the candlelit altar, with appropriate musical background of organ music.

San Francisco's old Barbry Coast is now a center of night clubs and restaurants.

heads the executive committee. Program chairman is Mrs. Luda Gross.

## -LOTS for SALE-

The Truckee Public Utility District is offering Lots for Sale on the north side of the Brockway Road in the Hill Top area.

These Lots are 100 ft. by 100 ft. in size located on a recorded County Road—Graded, surfaced and maintained by the County.

Electricity and Water will be available to each Lot. This area is in the Fire District but is not at present in the Sanitary District.

For a limited time—up to and including October 31, 1954—preference in the purchase of these Lots will be given to voters of the District.

After October 31, 1954 the remaining Lots will be offered to the general public.

This is an excellent opportunity to get in on the ground floor of what should prove to be one of the most popular areas in this community.

### Washoe Students May Attend School Here Under New Agreement

RENO—Washoe County's commissioners have entered into an agreement with the Tahoe-Truckee Unified School District for the education of several high school students residing in the Franktown district.

Under terms of the agreement, Washoe County students will be permitted to attend the Tahoe-Truckee school, and the county commissioners will reimburse the California school district.

Washoe County will pay tuition equal to the average cost per student per year in average daily attendance, minus the transportation cost.

The county will pay the actual cost of transportation, not to exceed \$10 per pupil per month. All payments will be made as soon as possible after the end of the school year.

John Fant, deputy superintendent of public instruction, will determine whether a student may attend the Truckee school under the agreement.

### Stolen Car Recovered Here Following Wreck

Officers are still without a clue to the identity of the driver of a 1950 Cadillac sedan which was abandoned just south of the Truckee river on the Brockway shortcut Saturday morning after it had been wrecked against a utility pole at the west approach to town.

State Patrolman William Gausche said the car was reported stolen from Milford Good of Woodland, who was visiting at Reno. The vehicle was twice observed after the crash. First near the S. P. depot at 6 a.m. and was later seen by Oscar Schumacher near his home.

### Parties Enjoyed Here As Anniversaries Noted

Parties were enjoyed by a number of local people who observed their birthdates and wedding anniversaries with families and friends during the past week.

Mrs. James McIver and James Walker had birthdates on October 12; Sam Costa was feted on his birthdate, October 8; Robert Leamon was given a family party on October 11.

Mrs. Clara Nelson, well known here, was given a party on her 91st birthdate on October 11 at the home of her son-in-law and daughter, Mr. and Mrs. Ben Tonini of Morro Bay.

Anniversary time was celebrated by Mr. and Mrs. Jack Ellis on the 10th; Mr. and Mrs. Omar Alexander, the 12th; Mr. and Mrs. Hugh Weinand, the 7th and Mr. and Mrs. A. L. Davidson had been married 38 years on Friday, October 8.

#### CONTINUE SERVICES

Rev. Wesley Osman continues the October emphasis of a practical mission to church attenders in the Community Methodist Church when he will speak on "Family and Private Worship" in Sunday morning's sermon.

#### Beachs Here—

Mr. and Mrs. Oscar Beach of Chico combined repairing of their local property with hunting in this area last week.

Date Observed—E. V. O'Rourke observed his birthdate last Saturday.

#### Forest Official Visits

Clare Hendee, regional head of the U. S. Forest Service, from San Francisco was an official visitor here on Tuesday.

#### When Is a Horse?

A skunk, inadvertently designated as a horse in the listing of the Wyethia Club's prize winners pet show last week is being given its proper classification as the funniest pet in the contest. The young owner is Lynn Quarty.

When fresh eggs were literally worth their weight in gold in 1849, the Farallon Islands were a profitable source of supply.

### Local Matrons Are Honored At Shower

Mrs. John Finnegan was hostess at a luncheon and shower on Friday afternoon in honor of Mesdames Kenneth Hedlund, and Chester Burns.

A pink and blue bassinet held the flower arrangement as a table centerpiece and miniature bassinets were favors at each place setting.

The guest list included Mesdames Henry Toccalini, Paul Archer, William Curran, Bernice Smith, Albert Khoolof, Jack Ellis, Cliff Ellis, Lorin Ferdinand, Al Wakefield and Omar Alexander.

### Owens Installing Wiring At Sugar Bowl Homes

Herman Owens, electrical shop owner and the Rockholm Brothers of Truckee are engaged in putting in the electrical wiring and masonry at three new homes being completed for the coming season in the Sugar Bowl at Norden.

Mr. and Mrs. Hannes Schroll of Palo Alto, Mr. and Mrs. Howland Meyers and Mr. and Mrs. R. C. Walker, all of San Francisco, are the owners of the new places which will be used at the height of the skiing and summer seasons.

#### BAGS ELK

Marshall Rukhala of Tahoe City had ample proof of his marksmanship when he came home from a hunting trip to McCall, Idaho, last week, bringing an elk weighing 900 pounds, a six-pointer. The local man was in party of nine with eight elk being bagged in the hunt. Ben and Roy Rukhala both of Rocklin, accompanied their brother on the eventful trip.

#### Ranger Family Here—

Ranger Ed Grant and Mrs. Grant and their daughter, Elaine, arrived from Susanville this week where he will assume his duties with the Tahoe National Forest Service. Miss Elaine is a high school student.

### Five Motor Accidents Are Reported In This Area During Past Week

Five motor vehicle accidents were reported by the California Highway Patrol in this area during the past week.

Ronald Rau, 15, Truckee was treated for minor injuries at the Tahoe Forest Hospital Friday after a car driven by Fred Wofford, 18, Soda Springs, got out of control on the shoulder of the road two and a half miles west of Soda Springs at 5:30 a.m. and overturned.

Leona Mary Kemmet of Penryn was cited for being on the wrong side of the road after her car overturned near Hobart Mills Monday morning. She told Sgt. Ed Freeman and Patrolman Carroll Maynard that a yellowjacket in her car caused her to lose control.

Highway 40 near the foot of Donner grade was strewn with dried prunes yesterday morning when a truck driven by Sam D. Banger of St. Paul, Minn., got out of control when the brakes failed and he was forced to drive the heavy vehicle into the bank causing it to overturn. State Patrolman William Gausche made the investigation.

Leah Thompson, 18, Carson City, was cited by Patrolman Martin Sturcke for making a bad pass after her car turned upside down Friday afternoon near the Sierra Club.

Michael O'Rourke of Truckee and Fred Allen Holt of Tahoe City were not injured when the car they were driving crashed into a sign just west of Reno last weekend. O'Rourke was fined \$250 for driving while intoxicated but charges against Holt were dismissed.

#### Family Visit—

Mr. and Mrs. W. C. Bowden of Sacramento last week visited with their son, Jim, and her brother-in-law and sister, Mr. and Mrs. A. B. Cook.

The United States has long been Colombia's leading supplier and the largest market for its exports.

### Hedlunds Parents Of Baby Son At Hospital

Lance Edwin, 3 pounds, 9 1/4 ounces is resting in an incubator in Tahoe Forest Hospital, following his arrival to Mr. and Mrs. Kenneth Hedlund on October 11. Lance arrived a few hours late to share his mother's birthdate on October 10.

Dr. George Hahn was the attending physician.

### Farley Heads Another San Francisco BE Raid

Russell Farley of Sacramento again directed a raid as special investigator for the Board of Equalization on a San Francisco club.

Farley said the raid was in line with the board's prior announcement that there would be a crack-down on after-hours clubs patronized by celebrants who choose to ignore the 2 a.m. liquor curfew.

#### Roses Vacation—

Mr. and Mrs. David Rose are enjoying their annual vacation in the bay area and southern California.

Allen L. Sklar, 30, of Kings Beach and Ellen M. Collins, 26 of Norwalk, Conn., were issued a marriage license at Reno during the weekend.

### Proctor Hugg Will Be PTA Speaker Tonight

Proctor Hugg, superintendent of schools, Sparks, Nev., will be guest speaker at the October membership meeting of the Tahoe-Truckee High School Parent-Teachers Association to be held Thursday, October 14, in the high school cafeteria.

Hugg will speak on school and community problems, with special emphasis on the high school youth problems. A spaghetti dinner will be served at 7 p.m. with the business meeting and the talk by Hugg to follow.

THE APE-MAN PUZZLED OVER THE STRANGE DIS-  
APPEARANCE OF A DEER'S FOOTPRINTS--BUT  
WAS INTERRUPTED BY A NATIVE AMBUSH!

TARZAN WAS  
TAKEN CAPTIVE,  
LED THROUGH  
THE GATES OF  
A DISTANT THATCHED  
VILLAGE. A  
MYSTERIOUS  
PALAVER HAD  
BEEN IN PROGRESS,  
BUT ENDED UPON  
HIS ARRIVAL.

SUDDENLY THEN, THERE WERE VEHEMENT SHOUTS  
OF ANGER. "ALWAYS A WHITE MAN CAUSES TROUBLE--  
KILL HIM!"

"STOP FOOLS!"  
CRIED A  
WIZENED OLD  
MAN. "KING  
MOGU'S EYES  
ARE WEAK,  
BUT HE SEES  
AND REMEMBERS  
TARZAN--A  
FRIEND."

"FORGIVE US, BWANA," CONTINUED MOGU, "FOR WE ARE  
ALL UPSET. MANY WARRIORS HAVE BEEN TAKEN--  
TARZAN INTERJECTED BRIEFLY, "THEN WHY NOT FIGHT--"

"YOU DO NOT  
UNDERSTAND,"  
SHUDDERED THE  
KING. "THERE  
HAS BEEN NO  
TRACE OF AN  
ENEMY--OR OF  
OUR WARRIORS.  
THEY HAVE  
COMPLETELY  
DISAPPEARED!"

WHAT'S THE SAD TALE? NO DATES SINCE VERONICA IS LISTED WITH A BABY-SITTING AGENCY?

SHE'S GIVEN ME THE BOUNCE FOR A BOUNCING BABY! SHE'S GONE CRIB CRAZY!

THE ONLY DATES SHE MAKES ARE WITH THE WEAN-AGE SET!

SAY! WHAT'S THE NAME OF THAT AGENCY?

OH? IS THIS THE AGENCY?... YES, I'D LOVE TO SIT TONIGHT!

ARCHIE! THE AGENCY GAVE ME YOUR ADDRESS!

I RECOMMENDED YOU FOR THIS BABY-SITTING JOB!

IT'S MY LITTLE NEPHEW! HIS FOLKS HAVE GONE OUT WITH MINE!

I OUGHT TO LOOK AT THE BABY!

OH, DON'T TOUCH HIM! HE'S ASLEEP!

I SUPPOSE HE'LL CRY IF HE'S HUNGRY!

WAAA!

YOU SHOULDN'T HAVE SAID THAT SO LOUD!

ARCHIE, DO YOU THINK YOU SHOULD HAVE GIVEN THE BABY A COLD CHICKEN LEG?

IT SHUT HIM UP, DIDN'T IT?

WAAA!

OOPS! I SPOKE TOO SOON!

MAYBE THIS WILL KEEP HIM QUIET!

DON'T YOU DARE! I'VE FIXED THE DEAR A BOTTLE!

WHAT'RE YOU TRYIN' TO DO!?

JUGHEAD!

NOW, ARCH! IT WAS YOUR IDEA!... TO GET VERONICA OVER HERE!

I JUST WANNA BURP YOU!

COME HERE A MINUTE, RUDY-I WANT YOU TO SEE SOMETHING

I'LL COME IN A MINUTE-- MY EGGS WILL GET COLD--

IT WILL BE TOO LATE! PLEASE COME RIGHT NOW!

THOSE ARE OUR NEW NEIGHBORS--

SO WHAT?

WHY DO I HAVE TO LEAVE MY BREAKFAST TO SEE THEM?

--BECAUSE THEY'RE SO ROMANTIC--

EVERY MORNING WHEN HE GOES TO WORK, SHE WALKS TO THE CAR WITH HIM AND HE SEEMS TO HATE TO LEAVE--

--AND THEN HE KISSES HER GOOD-BYE-- WHY DON'T YOU EVER DO THAT?

WHY-- I'D BE GLAD TO, FANNY-- BUT I HARDLY KNOW THE WOMAN!
